

Go Fish

Mr. Pat and Mr. Mike led our group of young men on an outdoor adventure at Gilbertie's Farm in Easton. There is a pond located on the farm which is chock full fish. It was a sunny and cool day and best of all—everyone caught a fish!

The group was joined by John Murphy, a member of the Knights of Columbus from St. Rose of Lima and Sal Gilbertie's grandson. Miss Yvonne took all the pictures and the day was topped off with a picnic lunch.

Welcome to our Program

Join us in welcoming Eve to our program. She began on Friday and was hard at work bagging and sorting the food from Panera

Merton House. Eve has been attending our program one day a week since the fall but is now with us fulltime.

Our annual dinner was a huge success. Many thanks to all that attended or helped in any way. We are so grateful for the wonderful support that all of you provided. And it was terrific to have so many families from our adult program represented.

The evening began with cocktails and appetizers under the tent giving people time to visit with friends and check out all the exciting silent and live auction items. This was the first year we used mobile bidding and everyone seemed to enjoy the fast pace of the bidding process. Music was provided by Keltic Kick (Patrick Ross's dad, Bob and his band). Dinner buffet followed with a wide variety of southern barbecue choices.

Funds from the event will help support replacing technology in the building and purchasing a wheel-chair accessible van.

Thank you!

Vacation and Camp Schedules

Please let us know if you have family vacation or camp plans so that we are able to plan staff coverage for the summer.

Program note:
The Center will be closed the week of July 31-August 4th.

It is walking and picnic season, so don't forget to apply sunscreen before you come to the Center in the morning!

Where in the world...

This month was Jessie's turn to travel to Orlando to the 'happiest place on earth.' Judging from this picture we would have to agree!
