Fall 2019

Dear Friends,

Twenty years ago, in 1999, our many supporters partnered with the Diocese of Bridgeport to create a faith-based education program that welcomed children whose learning needs were special. Saint Catherine Academy was founded on the belief that all life is valued. Today, Saint Catherine Center is a vibrant, joyful mission committed to the principle that the dignity of the human person is the foundation for a moral society. At Saint Catherine Center, we are called to provide for God's most vulnerable individuals.

Jean Vanier, Catholic philosopher and humanitarian, reminds us that "the most important thing is not to do things for people in need, but to enter into relationships with them, to be with them and help them discover their own gifts."

Our programs are intentionally designed to guide and support - to walk with the children and young people in our care. Our goal is to build a community with the support of our families, our Bishop, a very dedicated Board, a talented and devoted staff, organizations like the Knights of Columbus and the Order of Malta, numerous volunteers, and generous donors.

You are an integral part of this community. Whether you have supported us in the past or are new to the Center, we thank you for your generosity. We are on this journey together and it is made possible because of you. As we look toward the next 20 years, we hope you will continue to support our mission.

With sincere thanks,

Charles F. Chiusano
Chair, Board of Directors

Helen C. Burland
Executive Director

Twenty years ago, Saint Catherine Academy opened as an educational, faith-based alternative for students with disabilities in the Diocese of Bridgeport. Since then we have evolved into a comprehensive, holistic Center also serving young adults.

1999

A DREAM BECOMES A REALITY

The Academy opens with four students on the grounds of the Catholic Center, offering academic and life skills to children with disabilities aged 5 to 21.

2003

A NEW HOME

As enrollment increases, we move to our new, fully-accessible facility in Fairfield, which includes a Life Skills Apartment and Therapy Room.

2007

VOLUNTEERS MAKE THE DIFFERENCE

The Order of Malta initiates "Peanut Butter & Jelly Fridays," our monthly community service project. In 2012, we receive national recognition for the project from the Basilica of the National Shrine.

Malta volunteers also begin coordinating weekly library sessions, inspiring the love of reading and story-telling.

2008

APPROVED BY THE STATE

The Academy is approved by the CT State Department of Education as a private special education facility and begins accepting placements from parents and area public school districts. Approval has been renewed every five years since.

Personalized Learning

From the early PCs to Chromebooks and iPads, we have always used technology to reinforce learning.

A Message of Joy & Inclusion

The Christmas Pageant is a beloved tradition with roles for all students.

Our role at Saint Catherine Center is not to “do-for” those we serve, but to accompany them on their journey to become as independent as possible. This has been our commitment from the beginning.

2014

BECOMING A CENTER

Saint Catherine Center for Special Needs is established as an umbrella organization including the Academy and a new Adult Day Program.

2015

WELCOME, YOUNG ADULTS!

Recognizing the need for continuing support, the Adult Program opens for young adults 21 and older.

2019

THE FUTURE

As we continue our work with young people, we also support the larger community by offering dinner dances that bring together adults with disabilities from across the Diocese. We also host the annual Mass to Celebrate People with Disabilities, providing access to the Sacraments.

What's next for Saint Catherine Center? We are exploring how best to meet the growing needs.

Artistic Expression

Art, music, movement, and theater sessions each week offer opportunities for fuller expression.

Life Skills & Vocational Experience

Practicing day-to-day skills, such as shopping and preparing a meal, builds greater independence. Partnerships with local businesses and organizations provide a variety of vocational experiences.

Saint Catherine Academy serves young people with disabilities, ages 5 to 21. Classrooms are organized around individual needs and capabilities. Students are accompanied on their journey toward independence by certified special education teachers and assistants, experienced therapists, caring volunteers, and their peers.

Academic learning is integrated with **life skills**, which are reinforced through **community** and **vocational experiences**. Weekly music, art, and gym classes allow for fuller expression and socialization. The Academy is approved as a private, special education facility by the CT State Department of Education.

“Ronald is doing so much better since coming to the Academy. He has gained so much self esteem. Everything is taught with consistency, and being a part of all the activities has helped Ronald become a better version of himself.”

Debra Milton, parent

ADULT DAY PROGRAM

Whether reading, exercising together, creating art, volunteering, or going on outings in the community, all activities in the Adult Day Program are structured to develop life skills and help participants experience the value of friendship and relationships. The year-round program is approved by the CT Department of Developmental Services.

“**The program at Saint Catherine's is the perfect mix of nurture, individual care, and meaningful engagement in the surrounding community. Gus works at a garden center, loves bowling, swimming, and taking nice walks. He is happy, engaged, and continues to grow, surprising us often with new skills and small victories.**”

Tom and Vicky Reynolds, parents

From preparation for the sacraments to strategies for inclusion, Saint Catherine Center provides support for individuals with disabilities in the Diocese and their families.

“Jessie has been able to make connections and share things with her friends that she could not do previously. She especially loves the extra opportunity to dress up and attend the dinner dances hosted by the Center. We thank God that we found St. Catherine’s and all the angels who work there.”

Richard Zangrillo and Michelle Rivelli, parents

Bishop Caggiano presided at our annual Mass to Celebrate People with Special Needs, where 12 young people from eight parishes received the Sacraments of Baptism, Confirmation, and First Holy Communion.

Dinner dances throughout the year bring together adults from the community for fellowship and fun.

THANK YOU TO OUR VOLUNTEERS

“I have always gotten more out of volunteering at Saint Catherine Center than I have put into it—more faith in the goodness of others, more faith in the work done at the Center, and more faith that God will help us have the resources we need to continue our work.”

Charles F. Chiusano, Board Chair, volunteer since 2007

We're so grateful to our 50+ volunteers, who often work alongside students and adults as guides and companions—reading books, preparing the garden, making peanut butter and jelly sandwiches, mentoring at jobsites, and so much more.

“We love PB&J Fridays at SCA!” says George Mulry, III, volunteer, Order of Malta. Volunteers join students and staff each month to make peanut butter and jelly sandwiches for Thomas Merton Center. We estimate 33,000 sandwiches made since 2008!

A team of volunteers from Morgan Stanley spent a fun afternoon with the adults this spring preparing and planting our garden with herbs and vegetables and cleaning up the grounds.

Since Andy Toner took responsibility for the complex job of organizing the maintenance of our fleet of 10 vans, he has saved us countless hours of staff time. He is also a key volunteer in our vocational program, providing mentorship to our students.

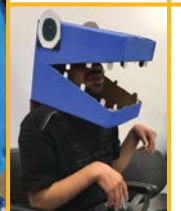

June 5th was a proud and happy day for our 2019 graduates Jack, Donte, and Jennifer. Jack and Donte are continuing in the Adult Program.

Each year our students create ornaments and decorate a beautiful tree for the Christmas Tree Festival hosted by the Knights of Columbus. We're grateful for the generous members of the many KOC Councils who support us by always showing a spirit of charity and love-of-neighbor.

The art of hospitality was on full display at the 2nd Annual Men Serve Women Luncheon in June. Organizing the special event builds multiple skills for participants, highlighted by showing consideration and care for others.

With funding from the New Canaan Community Foundation, the adults enjoyed a new weekly program this year called TheaterWorks. Participants act out familiar stories, fairy tales, fables and songs while developing language, cognitive, and social skills.

At the Center, we know how to celebrate holidays! Srs. Cheryl Driscoll, RSM, and Maureen Ulatowski, SSND, showed off the pumpkin their class created for the annual Pumpkin Decorating Contest.

Adult participants enjoyed many community outings this year, including Stepping Stones Museum (pictured), the Peabody Museum, Silverman's Farm, Sherwood Island, and the Ridgefield Playhouse.

Everyone at the Center has a bit o' Irish in them on St. Patrick's Day, when students march in the annual parade.

The Academy welcomed Christmas with music and joy in our annual Christmas Pageant, "The Message of an Angel." More than 200 family members and friends attended, including Bishop Caggiano, who remarked, "This pageant is the finest homily to show the meaning of Christmas."

Maureen O'Keefe (pictured with Lindsay) was among the many volunteers we celebrated at our Volunteer Luncheon in April.

After extensive coordination with our worksite partners, the vocational program expanded to include all adult participants, providing appropriate tasks and a sense of purpose for each individual. Sorting clothes at Marshalls, labeling DVDs at the Fairfield University Library, and stacking planting pots at Gilbertie's are among the many opportunities for skill development.

It was an extraordinary evening in June as more than 320 friends, family, and supporters of Saint Catherine Center gathered at Fairfield University to celebrate 20 years of providing a faith-based education for children with special needs.

Four outstanding individuals were recognized for their dedication to the Center: (below) the late Jim O'Brien, whose daughter Catherine Porter (second from right, with her family) accepted his award for Volunteer Service; (far left) Marie & Sal Gilbertie (pictured with Board Member Msgr. Robert E. Weiss) for Community Partnership; and (center) Dian Jennings Mayo (with Bishop Caggiano) for Leadership.

“The work is very challenging, but when we get it right, it is so profoundly moving that we keep going... These young people teach us how to look beyond ourselves.”

Helen C. Burland, Executive Director

Francesca Cenatiempo (center), who was a student at the Academy when it opened 20 years ago and is now a participant in the Adult Day Program, attended the event with her family.

Members of the Knights of Columbus enjoyed an evening out in support of the Center. Pictured (L-R): Steve Bacon, State Deputy, and his wife Kathy; Thomas Vita, Board member, and his wife Rosemary; and Stacy and Gary McKeone, State Secretary.

Board Chair Charles Chiusano, pictured with his wife Ruth, welcomed the honorees.

For Center staff members, the evening was an opportunity to enjoy each other's company and to thank the many supporters of our mission.

The Order of Malta has always been a significant supporter of the Center in so many ways. Pictured L-R: Kelly Ann Murphy, Barbara Miller, Cece Donoghue, and Pilar Hoyos.

We were grateful for the generous response to our Call for Charity. A \$100,000 challenge gift was matched by contributions from 90 donors. Funds raised will be used to establish a Capital Fund to meet future programming and facility needs.

“Katherine was her brightest and happiest when she was helping someone who was struggling and providing comfort to those who needed it most. Katherine’s generosity of spirit is epitomized at Saint Catherine Center, where young people are helped to be their best selves and everyone is lifted up in the process.”
