

## Our First Fishing Derby

The sun was shining as the boys, Mr. Mike and Mr. Pat loaded up the vans with fishing gear and picnic lunches. They were joined by volunteers, Michael and Brendan McMahon who joined the group. Next stop was the pond at Gilbertie's Herb Farm. Mr. Gilbertie was waiting for us to arrive. Ryan was the fisherman of the day catching not one but two fish. Judging from everyone's reaction, this will be an annual event!

## How Does Our Garden Grow?

We are harvesting the fruits (really vegetables) of our labor! Jesse and Tierra are helping to pick the ripened tomatoes from the beds in our yard.

**We celebrated Andy's Birthday with cupcakes!**

## Welcome Angel and Patrick

September brings the arrival of two more friends to our program. Both Angel Vargas and Patrick Nolan attended Saint Catherine Academy and join us after taking the summer off. We are really excited about welcoming them and beginning to include them in all of our activities.
