# OUR CORE VALUES

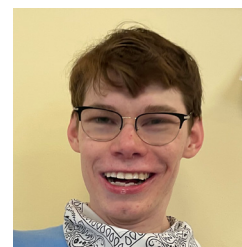

We respect the dignity and diversity  
of each person.

We serve students of all races, ethnicities, faiths and  
economic backgrounds.

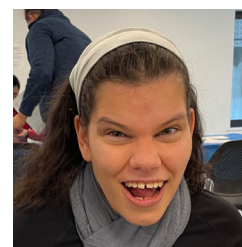

We focus on the total well-being of  
each person.

We create an atmosphere that is supportive and  
welcoming where each person feels a sense of belonging

We celebrate the abilities and successes  
of each person.

We seek to build interpersonal relationships in a  
nurturing learning community.

We bring hope and joy to our students,  
families, staff and community partners.

# DEAR FRIENDS...

Twenty-five years ago, in 1999, a small group of dedicated parents and the Diocese of Bridgeport came together with a shared hope to create a faith-based school where children with special needs could learn, grow, and be valued as precious individuals created in the image of God. Today, that vision thrives in our community, as we continue to provide a place of compassion, dignity, and limitless possibilities for our students and young adults.

Pope Francis calls us to remember, *“Pray that people with disabilities may be at the center of attention in society and that institutions offer inclusion programs that enhance their active participation.”* Our Center is a haven where those with special needs are embraced and encouraged to reach their highest potential. Over the past year, we’ve experienced tremendous growth and new beginnings, utilizing our expanded facilities in ways we have dreamed about for so long. Through these opportunities, our individuals gain the skills and confidence to lead lives of greater independence.

This community would not be possible without the support of our families, our Bishop, the outstanding leadership of our Board, our dedicated staff, the countless volunteers and organizations like the Knights of Columbus and the Order of Malta, and generous donors. You have supported us in countless ways with your generosity, prayers, and trust.

We look forward to continuing this mission for another 25 years and hope to have you as our partner as we look to the future and what is possible.

With Gratitude,

*Laura P. Grozier*

# VOLUNTEERS

We are so grateful to our 60+ volunteers, who often work alongside students and adults as guides and companions—preparing the garden, making peanut butter and jelly sandwiches, mentoring at job sites, and so much more.

A dedicated team of volunteers from Morgan Stanley joined our students and young adults for an afternoon of preparing and planting our garden beds with herbs and vegetables, as well as light landscaping to clean up the grounds.

*“PB&J is such a beautiful way to come together once a month as a family to serve others less fortunate. We all become a little bit better because of those few hours of prayer and working side by side for the good of someone else.”*

*- Christine Woods, Volunteer*

# 25 YEARS OF IMPACT

From our humble beginnings in 1999 to the thriving community we are today, Saint Catherine Center has grown and evolved over these past 25 years.

**1999**

## DREAM BECOMES A REALITY

*The Academy opens with four students on the grounds of the Catholic Center, offering academic and life skills to children with disabilities ages 5 to 21.*

**2007**

## A NEW HOME

*As enrollment increases, we move to our new fully-accessible facility in Fairfield.*

**2014**

## BECOMING A CENTER

*Saint Catherine Center for Special Needs is established as an umbrella organization including the Academy and new Adult Day Program.*

**2021**

## BUILDING FOR THE FUTURE

*With the addition of the Adult Program, we quickly outgrew our building. In March 2021, the Center began a capital campaign to double the size of the facility and expand programming.*

**2003**

## APPROVED BY THE STATE

*The CT State Department of Education approves the Academy as a private special education facility.*

**2008**

## VOLUNTEER INITIATIVES

*The Order of Malta initiates "Peanut Butter & Jelly Fridays," our monthly community service project. Over the past 16 years, we have made over 43,000 sandwiches and donated them to our friends at Merton House.*

**2015**

## WELCOME YOUNG ADULTS!

*Recognizing the need for continuing support, the Adult Program opens for adults 22 and older.*

**2023**

## RIBBON CUTTING

*The ribbon cutting in the fall marked a milestone in the Center's journey. The strategic renovations laid a solid foundation that ensures the Center continues to grow and thrive.*

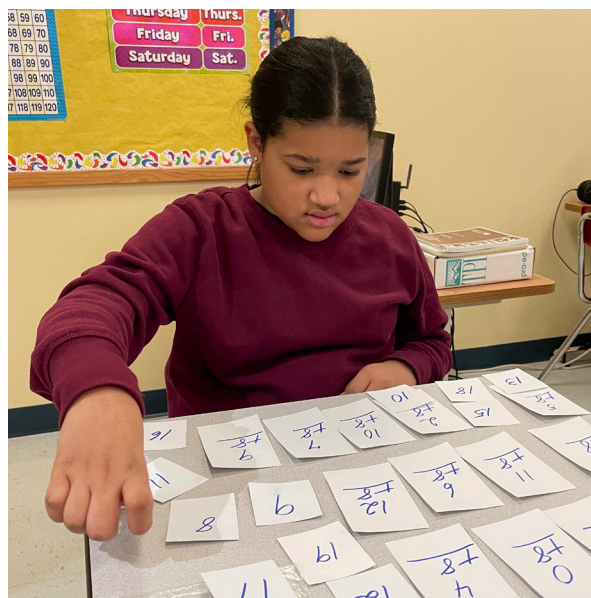

# THE ACADEMY

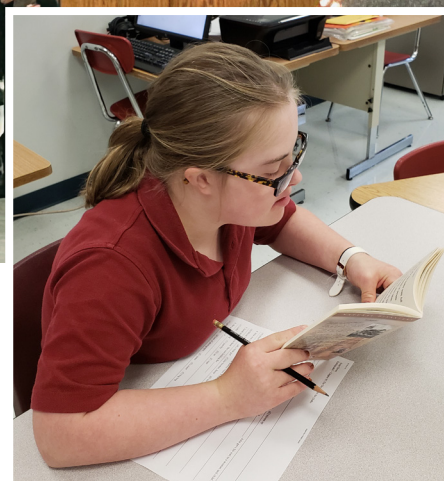

**Saint Catherine Academy** serves young people with disabilities, ages 5 to 22. Classrooms are grouped around individual needs and capabilities. Students are accompanied on their journey toward independence by certified special education teachers and teaching assistants, licensed therapists, caring volunteers, and their peers.

Academic learning is integrated with life skills which are reinforced through community and vocational experiences.

Activities of daily living are practiced regularly to gain independence.

*“Saint Catherine’s has helped Anna develop very well both academically and spiritually. Her teachers have been working with her for a couple of years to practice public speaking and she not only reads at our parish, but also participates at the Academy by narrating at the annual Christmas play.”*

*- Jill Stowe, Parent*

# ADULT DAY PROGRAM

Whether reading, exercising, creating art, or exploring the community during outings, all activities in the Adult Day Program are structured to develop life skills and help participants experience the value of friendship and relationships.

Weekly music, art, and movement classes allow for fuller expression and socialization.

*“ Saint Catherine’s exceeded our hopes and dreams for a program that supports and encourages Devon to grow and maximize her potential. It gives the gift to parents of hope and peace knowing she is in a program that really cares about her.”*

*- Susan Jacoby, Parent*

*“ Saint Catherine’s cares for Ellie as an extension of our family, protecting her, loving her, and encouraging her to grow by trying new things and relating to new people. She has grown and thrived during these years in the adult program and her family could not be more grateful to the students, staff, and entire community.”*

*-Sarah Kahn, Parent*

# BUILDING EXPANSION...

The Center completed a successful \$5M Building for the Future expansion project that doubled the size of the current facility. The expansion provided the resources to reimagine programming and offer enhanced learning experiences, including authentic vocational training opportunities.

Flexible spaces were created to accommodate a variety of purposes, from quiet meditation to socialization with group activities.

# & RIBBON CUTTING

In September 2023, many guests gathered at Saint Catherine Center for a ribbon cutting ceremony as Bishop Caggiano blessed the new facility.

# PLAYGROUND

Construction of a fully accessible playground was completed in the spring of 2024. The playground's design prioritizes universal accessibility, ensuring that children and adults of all abilities can participate and play without barriers.

The playground features standard and inclusive equipment for those with ambulatory issues and is sturdy enough for adults.

On May 8, 2024, Board Member Monsignor Robert Weiss led a celebration to bless our new playground.

*“There is a perfect balance between providing a structured environment that teaches essential living skills and finding the small things to bring joy and love to Gus' day-to-day life.”*

*- Victoria Reynolds, Parent*

# KITCHEN & HYDROPONICS

Our facility is intentionally designed to help students transition to an environment that encourages greater independence.

Our new commercial-grade kitchen is a cornerstone for on-site vocational training. The hands-on experience gained in this setting builds confidence and daily living skills.

The addition of an indoor hydroponic garden broadens the scope of practical skills acquisition.

# COMMUNITY COLLABORATION

Our partnerships with local organizations and businesses are crucial to our success. These collaborations enable us to extend our reach, enhance our programs, and better serve our students and adults.

Thank you to our vocational training worksites. These local businesses provide meaningful work opportunities in the community.

# OUR FAITH

From preparation for the sacraments to strategies for inclusion, Saint Catherine Center provides support for individuals with disabilities in the Diocese and their families.

## Mass to Celebrate People with Special Needs

Bishop Caggiano presided at our annual Mass to Celebrate People with Special Needs, where four young people received the Sacraments of Baptism, First Holy Communion, and Confirmation.

Students are guided in weekly prayer services and attend Mass together as a school on the first Friday of every month.
